

In addition to the eligibility requirements established by the Michigan High School Athletic Association, to be eligible for any Athletic or other extra-curricular activity, a student must have maintained at least a 2.0 grade-point average and must not have received a grade of E in any course for semester prior to the semester in which she/he wished to participate.

Board policy states an exception may be made by the principal if the student is under an IEP or has been participating in an intervention program and has shown satisfactory progress toward achieving the minimum grade-point average.

Students shall be fully informed of the curricular-related activities available to them and of the eligibility standards established for participation in these activities. District-sponsored activities shall be available to all students who elect to participate and who meet eligibility standards.
