MANDATORY PARENT MEETING

On October 6, 2016, Michigan became the 37th state to adopt third grade reading legislation when Governor Rick Snyder signed Public Act 306 into law. Public Act 306 of 2016 (now referred to as MCL 380.1280f) will require all 3rd Grade students not scoring proficient on the 3rd Grade state summative assessment be retained.

This legislation took effect immediately and 2016-17 kindergarteners will be the first cohort of students impacted by the retention aspects of the law in 2019-20. Therefore, this is a mandatory meeting for parents with students in kindergarten, 1st grade, 2nd grade and 3rd grade.
