

Sept. 2014

Dear Parents/Guardians,

It's very exciting to start a new year at Pepper Elementary School with your students. I am looking forward to an exciting and successful year. The following is a suggested supply list for the year. Please send these items to school as soon as possible, these would be greatly appreciated.

- 1)bookbag/backpack(please label with first and last name)
- 2)pencil box or pencil pouch to keep in their desk
- 3)box of crayons (24 count is plenty)
- 4)eraser
- 5)four number 2 pencils
- 6)child-safe scissors
- 7)box of tissue to share with the class
- 8)hand-sanitizer with a pump
- 9)One container of disinfecting wipes

Please label all supplies with your child's name, thank you.

It would be helpful to have pencils, box of crayons, child-safe scissors and a glue-stick at home to use for homework and practice work.
