

Do you enjoy the stars and space?

Did you know there was a state-of-the-art planetarium in Oak Park?

...And did you know that it was free of charge for the Oak Park Community?\*

The Oak Park School District would like to invite you to the Hoffman Planetarium at Oak Park High School! During the Holiday break, join us as we explore the stars with two original planetarium shows.

For more information, visit [HoffmanPlanetarium.com](http://HoffmanPlanetarium.com).

## It's Cold Out There!

### A Wintry Tour of

### Our Solar System

(10 am Show)

Journey with us through the Solar System as we explore the Earth and our closest neighbors in space to truly see just how 'cold' it is in space. Features the planetarium movie "Earth, Moon and Sun" (20 minute feature; 60 minutes in total length).

Tickets **MUST** be reserved in advance for all programs in the planetarium. Tickets can be purchased at the time of arrival. If you have a group of 20 or more people, please call (313)717-1713 or email at [grayling.mercer@opsk12.org](mailto:grayling.mercer@opsk12.org).

- **Adults:** \$3 per program
- **Seniors 65+ & Children ages 2 - 12:** \$2 per program
- **All Oak Park Community Members:** FREE (Donations Accepted)
